

A photograph of a pond with a stone path leading into it, surrounded by trees and a building in the background. The path is made of several rectangular stone slabs. The water is calm, reflecting the surrounding greenery and the building. The building has a red roof and is partially obscured by the trees. The overall scene is peaceful and scenic.

# THE DELTA STUDENT 1979

*THE DELTA STUDENT*

# TOGETHER . . .

# WE WALK THE PATHS

**OF KNOWLEDGE,**

# SEARCHING FOR THAT GOAL

**THAT  
SEEMS TO CHANGE**

**FROM DAY TO DAY.**

# SOMETIMES I WONDER

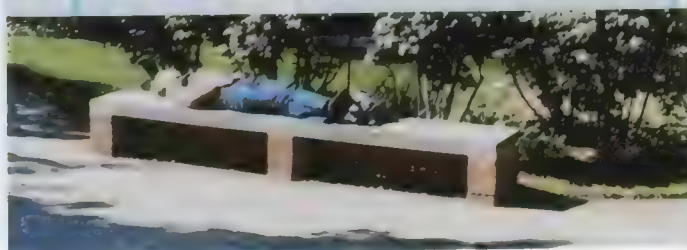

**AM I HEADED IN  
THE RIGHT DIRECTION?**

# NO ONE CAN SHOW ME THE WAY,

# I MUST FIND IT FOR MYSELF.

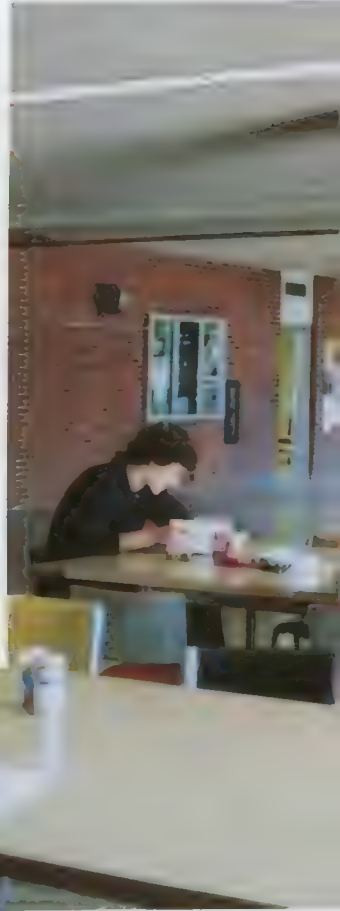

**BUT WE  
CAN SEARCH FOR IT**

# ... TOGETHER.

ICSACADEMIC

# REGISTRATION

It happens three times a year. Some students get through the process in minutes, others are not so lucky.

Looking around there is frustration and confusion on the faces of the students. Like them, you wish you could skip over all the hassle.

Then, just as you think you're all set, you find out that one of the classes you have selected has been "closed". It's back to the curriculum guides, catalogs and course request forms.

Finally you get it straightened out and you walk away clutching your green schedule. You let loose a sigh of relief - until next time!

# SCIENCE

Physical Sciences. Biology, Chemistry, Geology, Physics, etc. The classes that help us learn just what it is that makes this old world of ours go around.

Many curriculums require several classes in the physical science area. Much valuable experience can be gained by taking any one of them.

In many instances, special lab periods help the student experience for himself the wonders of science. Often, the classes are tough, but the knowledge gained makes all the work worthwhile.

# *Seeing is Believing*

# DENTAL

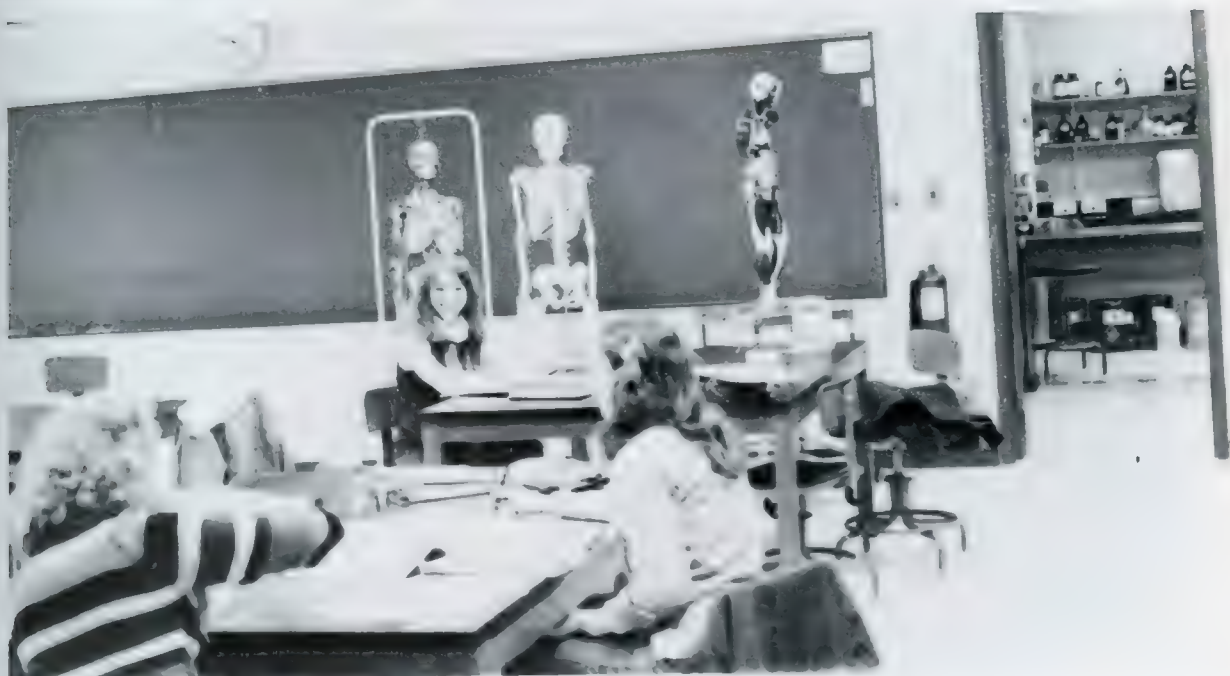

The Dental Assistant Curriculum consists of four semesters and the Dental Hygiene Curriculum consists of five. Students are expected to develop knowledge and skills to enable them to become competent members of the dental health team.

The nursing program at Delta trains young men and women to become successful members of the health team. Students acquire the basic knowledge and skills necessary for the nurses role in the care of a patient. The program is six semesters in length. It includes 35 semester hours in general education and 51 semester hours in nursing education. Clinical laboratory experience is also offered. Upon successful completion, the student is awarded an Associate Degree in Applied Science.

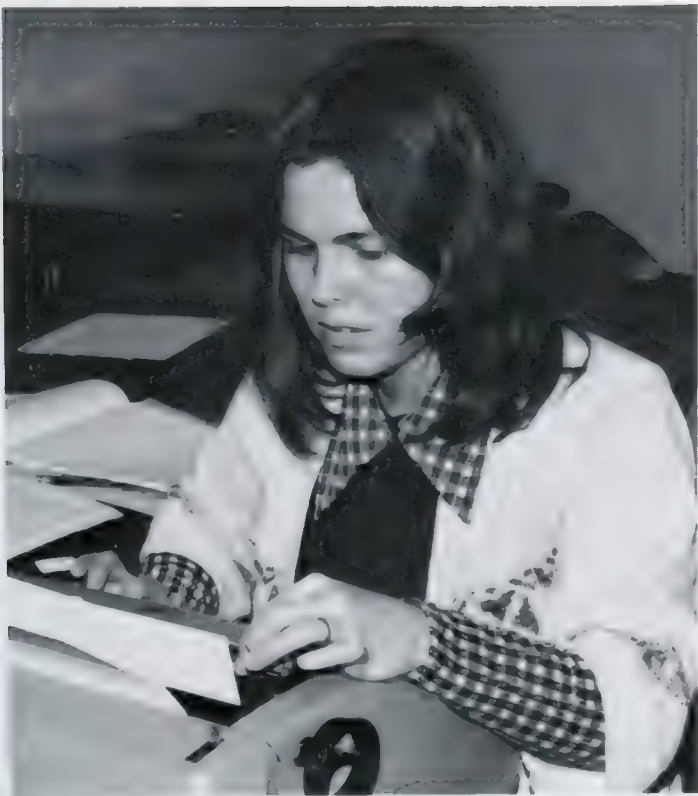

# NURSING

BUSINESS

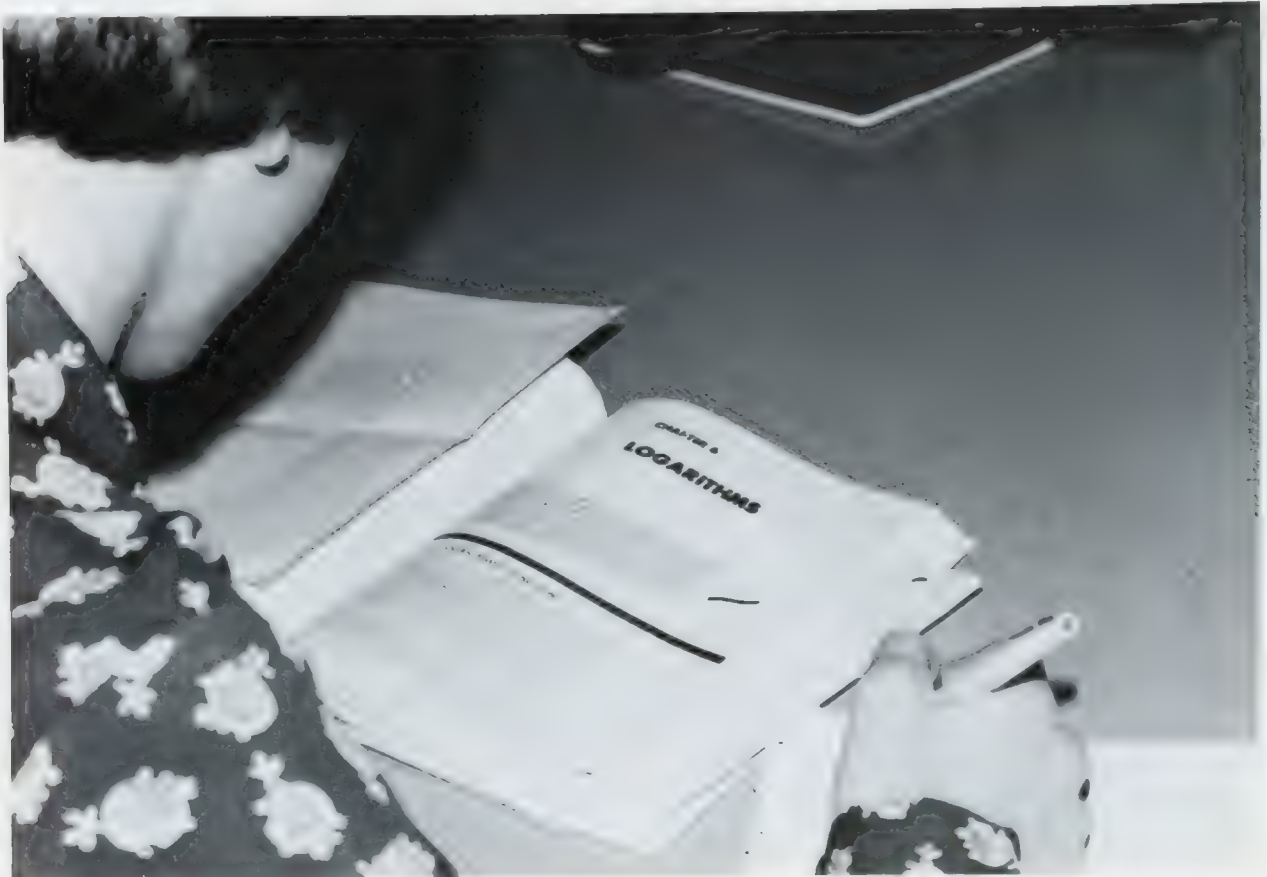

Business subjects and related courses prepare the student for employment in business and commercial occupations. Curriculums include: Accounting, Clerk-Typists, Data Processing, Fashion Merchandising, Interior Decorating, Management, etc.

# MATH

Mathematics - the world of variables, inverses, logarithms, and most of all, calculators. Courses include many levels of Algebra, Geometry, Trigonometry, Calculus, etc. To many students, math classes seem difficult and confusing, but many have also found a knowledge of numbers to be useful and sometimes even fun!

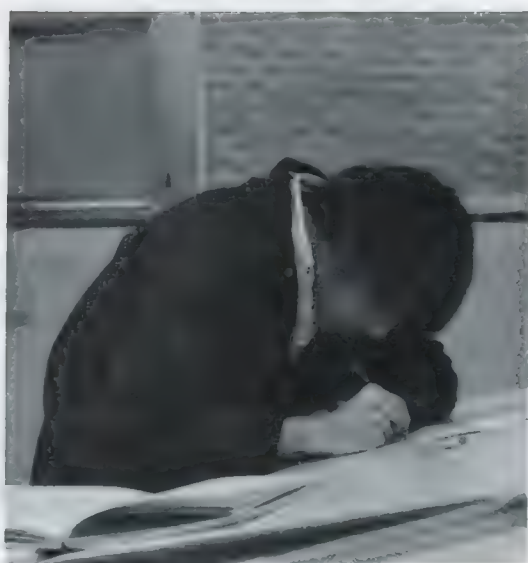

# TECHNICAL

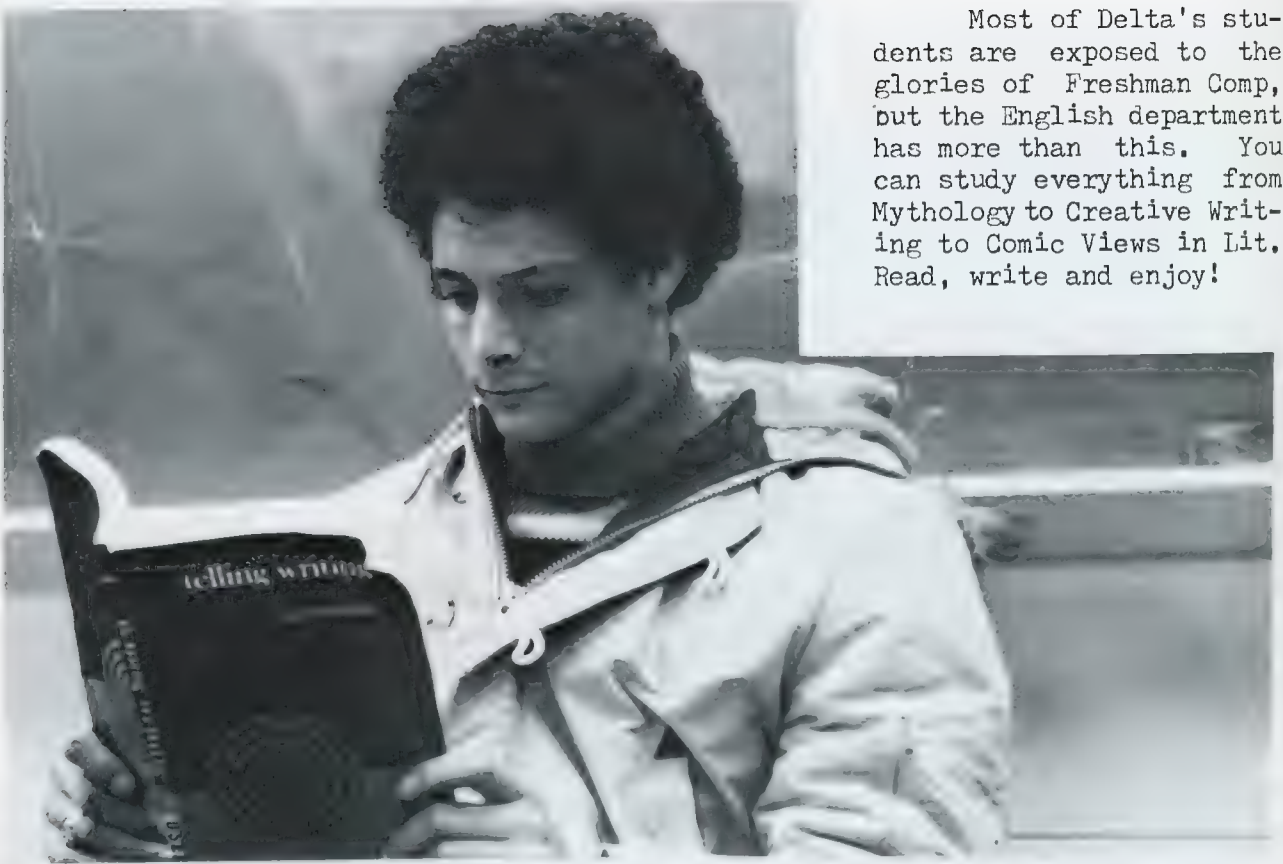

Curriculums in Delta's technical division include: Architectural Technology, Automotive Service, Drafting and Design, Electronic Technology, Mechanical Design, Mechanical Engineering Technology and Residential Construction Technology. The curricula are job-oriented in purpose and prepare the students to enter well-paid positions in industry.

# ENGLISH

Most of Delta's students are exposed to the glories of Freshman Comp, but the English department has more than this. You can study everything from Mythology to Creative Writing to Comic Views in Lit. Read, write and enjoy!

# SOCIAL SCIENCE

The social science division includes study in the areas of Economics, Geography, History, Child Development, Law Enforcement, Political Science, Psychology, Sociology and Labor Relations. The wide variety of classes available allows the student to study people and society of today, yesterday, and even tomorrow.

# HUMANITIES

Are you a budding artist? An undercover musical virtuoso? Longing to be a linguist or an actor? Then Delta's Humanities has the classes for you - even if you just want to get away from traditional academics for an hour or so!

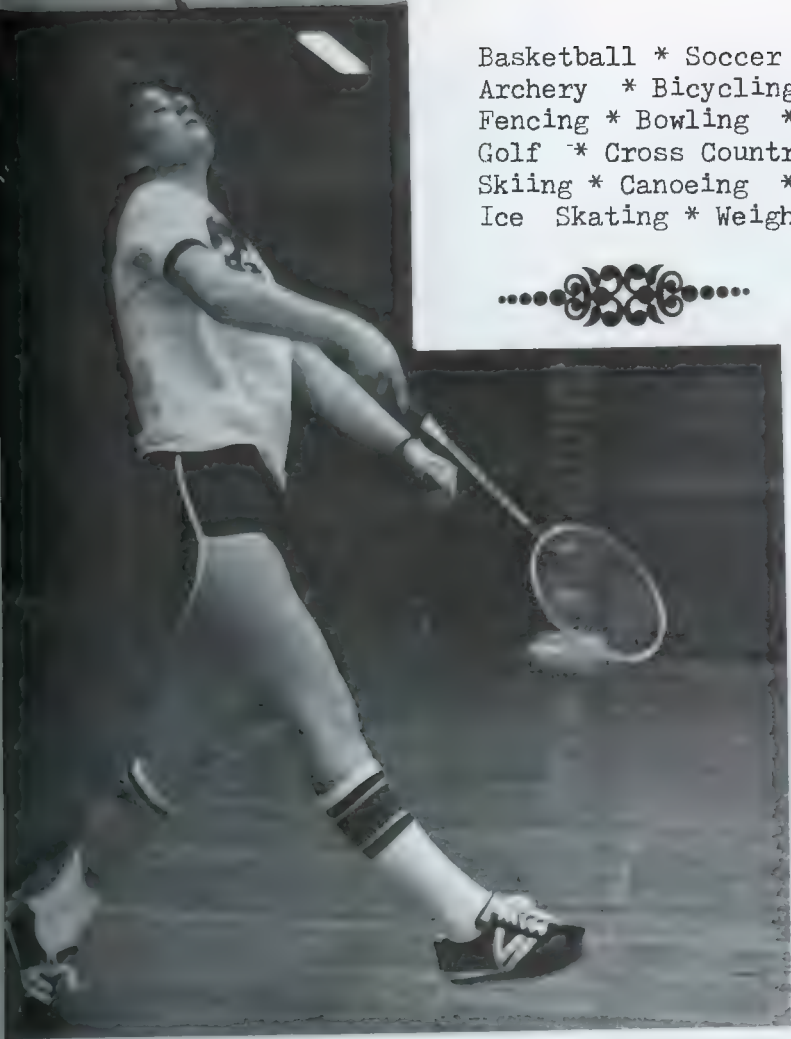

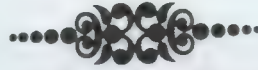

# PHYS. ED.

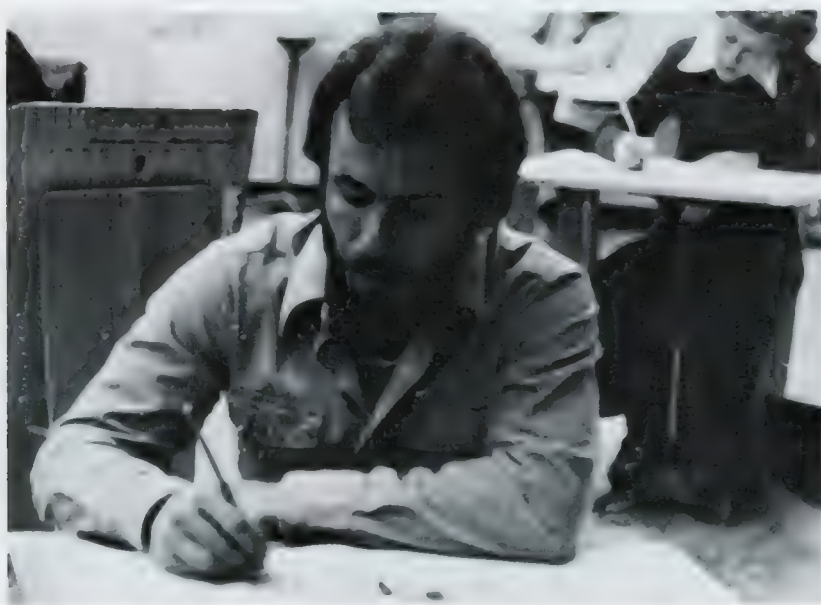

Basketball \* Soccer \* Softball \* Volleyball  
 Archery \* Bicycling \* Handball \* Wrestling  
 Fencing \* Bowling \* Badminton \* Gymnastics  
 Golf \* Cross Country \* Swimming \* Dancing  
 Skiing \* Canoeing \* Water Safety \* Judo  
 Ice Skating \* Weight Training \* and more.

# Community ED

Delta going to the dogs? Well, sort of. Dog Obedience is one of the wide variety of classes offered in Community Education. Some other examples include interior decorating, photography, art classes, yoga, and would you believe even duck calling? The list goes on and on. Community Education is growing fast and it definitely has become a very diverse and informative way to spend spare time.

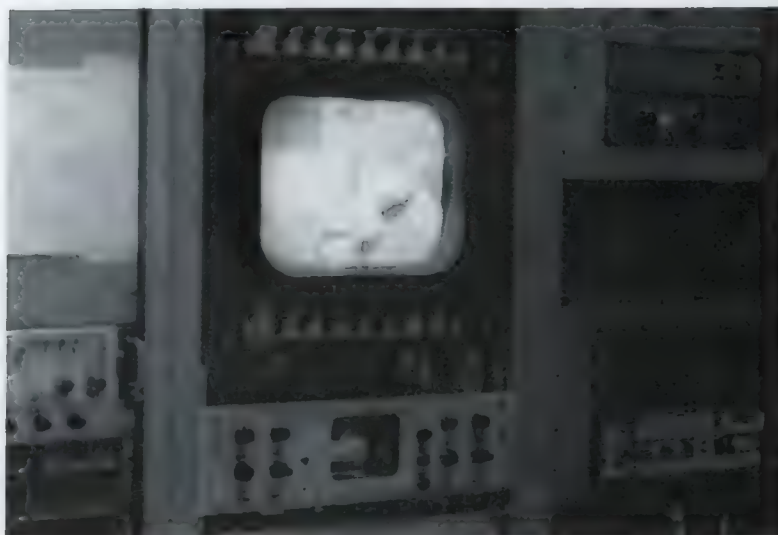

# CHANNEL 19

......

Delta College owns and operates WUCM-TV channel 19, a public broadcasting station. Everyday, educational, cultural, instructional and public affairs programs are broadcast from Delta to the residents of the surrounding area.

# Student Activities Board

The Student Activities Board: Front row - Dawn Koehler, Lisa Saro, Gwen Torpey, Michael B. Kelly. Second row - Debbie Rees, Kay Ezop, Pam Holsinger, Tina Crovella, Steve Putney. Back row - Dan Kristal.

Some of the events that the S. A. B. has been responsible for this year:

**Bands:**

Buffalo Chipkickers  
Whiz Kids  
Domestic Delivery  
Spank

**Singers:**

Lori Jacobs  
George Heriter

**Others:**

Hypnotist-  
Larry Garret  
Astonishing Neal  
Ace's Frisbee Team  
The Cloning of a Man-  
David Rorvik  
Comedian-  
Chris Rush  
Poet-  
'Rick Masters  
Movie Week  
S. A. B. Day

AND MORE!

Director of Student Activities is Dick Priehs.

# BEER BUST!

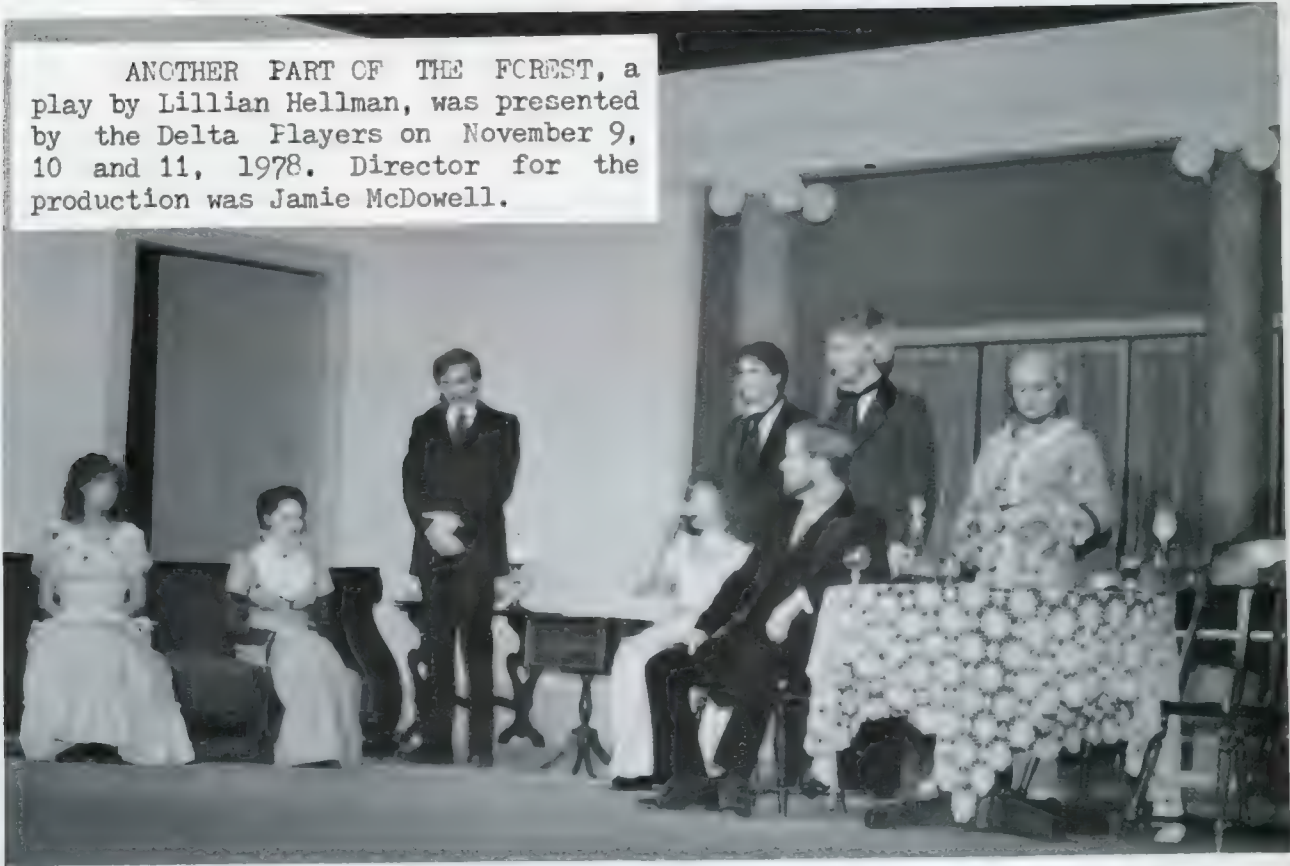

The S. A. B. sponsored two Beer Busts this year and both were held at the L. F. A. Hall. The first was a combination Beer Bust-Toga Party on Friday, Nov. 17th, 1978. The band for the event, "Special Guest" from Ann Arbor, turned out some excellent jams. The second Beer Bust was held Wednesday, Dec. 20th. Music was supplied by the traveling disco-light show, "Cat and Co." As the pictures tell the story - everyone, even Santa, had a great time.

# DELTA PLAYERS PRESENT...

ANOTHER PART OF THE FOREST, a play by Lillian Hellman, was presented by the Delta Players on November 9, 10 and 11, 1978. Director for the production was Jamie McDowell.

#### CAST

Regina Hubbard.....Nancy Blackney  
 John Bagtry.....John Trudell  
 Lavinia Hubbard.....Susan McNeil  
 Marcus Hubbard.....Ray Farris  
 Benjamin Hubbard.....Terry Rosecrans  
 Simon Isham.....Jim Webber  
 Oscar Hubbard.....Greg Hanson  
 Birdie Bagtry.....Susan Provost  
 Laurette Sincee.....Nancy Trap  
 Coralee.....Jo Bollman

# CHRISTMAS CONCERT

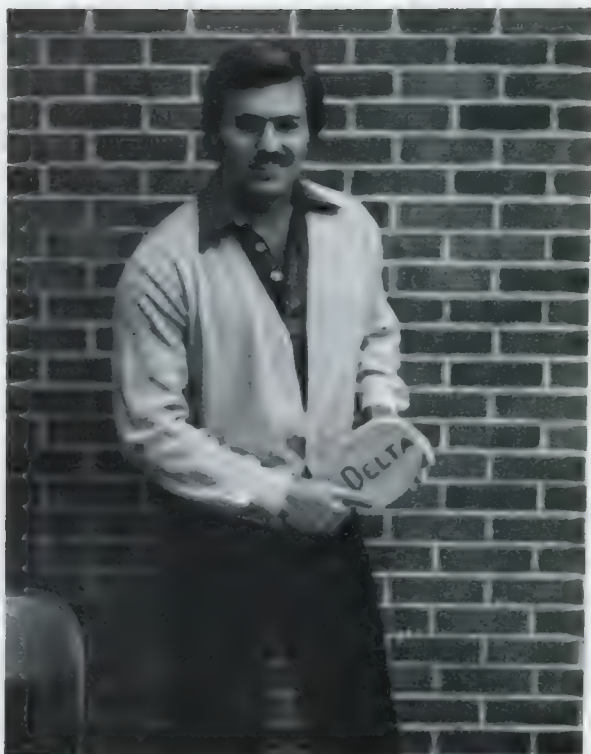

Delta's Music Department presented its' annual Christmas Concert Dec. 15th in the Lecture Theatre. Besides Delta's choir, other performing groups appearing included a flute choir, Delta's Chamber Singers, and the Modern Dance Club. Soloists were also featured.

INTRAMURAL  
CHAMPS  
'78

1

2

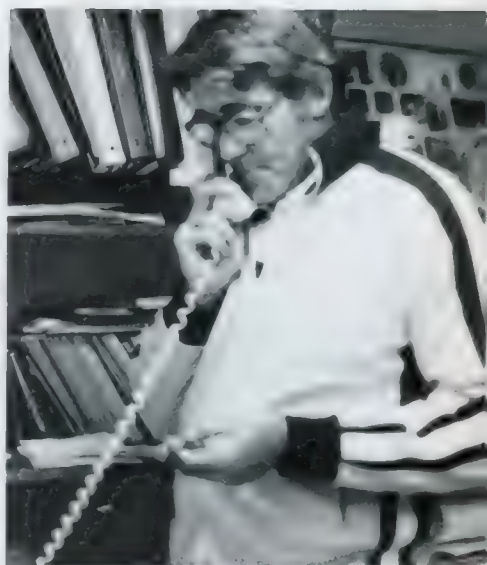

3

1. Table tennis champ Dennis Borchard.
2. Football champs "Hell Bent for Election". Top row: Brian Ulicki, Jerry Kelly, Jeff Donahue. Front: Tom Lewis. Dave Johnson, Mark Kraznick. Missing: Terry Williams and Chris Rudy.
3. Golf champs Ron Revard and Tim Janowicz.
4. Two-mile run champs:  
Staff - Becky Castillo  
Male - Les Clayton  
Female - Karen Seman
5. The man behind the intramural program, Lynn Conway.

4

5

# *CHICANO AWARENESS*

## (Cont.)

1. Tennis - Novice: Bob DeVinney.  
Not pictured - Advanced: Clint Mills.
2. Volleyball Champs - "The Iranian Americans." Top row: Morteza Khaknegar, Abbas Ayomandi, Buik, Abolghassen Lotii. Front row: Barb Raek, Pam Walraven, Kathy Zuraw and Lisa Landre.
3. One on One - Jerry Kelly.
4. Badmitton - Female: Janet Rhine.
5. Badmitton - Male: Ali Reza.

1

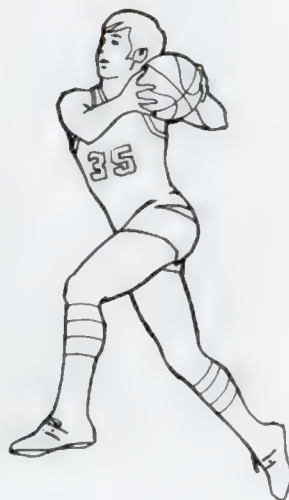

2

3

4

5

The Delta Viva Club sponsored a "Chicano Awareness Week" from November 20th to December 2nd, 1978. Events that highlighted the annual affair included the showing of several films, a display of Chicano cultural items and refreshments, a career workshop, a disco fashion show, a secretarial workshop, a mini-concert in the Commons featuring "Irresistible Force", a Chicano rock band, and an awards banquet. Purpose of the club is to recruit students of Spanish heritage to Delta and to raise scholarship money.

# SPORTS

SPORTS

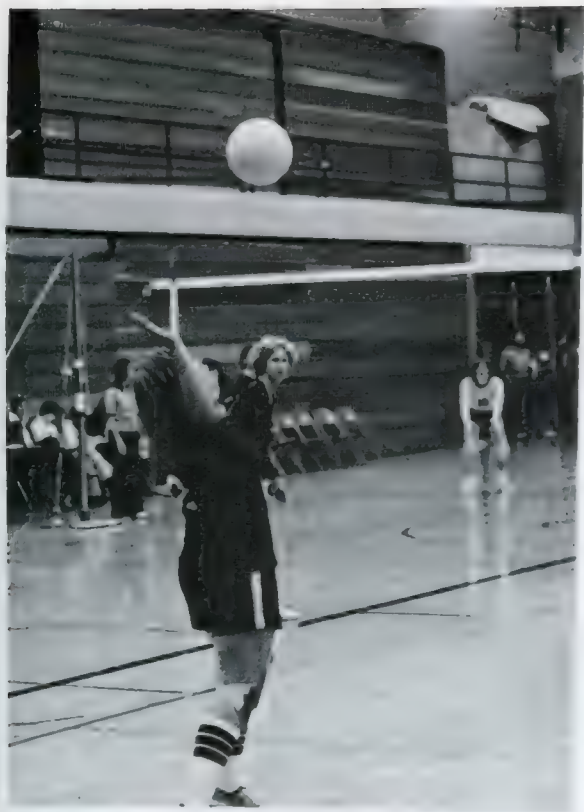

SPORTS

SPORTS

SPORTS

TSSPORTSSPORTSSPORTSSPORTSS

# FIELD HOCKEY INEXPERIENCED

This was a trying season for the girls field hockey team. Starting with only nine players, they fortunately raised their number to thirteen. At the start of the season, half of the girls had never played field hockey before.

Coach McDonald felt that the girls definitely had talent and the only thing lacking was experience. There were only two returning players from last year. Although the team continued to improve greatly throughout the season, McDonald said, "It takes a long time to get down the skills of hockey."

Spirit on the team was never a problem for the girls were always enthusiastic and were always encouraging and helping one another.

With the basic learning process out of the way, it is hoped that next season will be brighter.

Standing: Cristal Dugan, Janine Martin, Toni Lagnio, Wendy Wagner, Carolyn Johnson, Ceal Timm, Debra LaPorte, Coach Jane McDonald. Front: Cathy Carrier, Michelle Weston, Diane Davis, Karen Seman, Deborah Jennings, and Sue James.

# CROSS COUNTRY STRUGGLES

The Delta cross country team this season consisted of two men, Juan Munoz and Mark Scott, and two women, Kathy Haas and Dawn Becker.

Since there were not enough runners to make an official team of five, the runners ran for individual satisfaction and turned in some fine individual performances.

Cross country coach, Richard Prentice, felt the "team" fared well. "I was pleased with their performances this year," Prentice said. "With their inexperience I was mainly looking for improvement and they improved a lot during the course of the season. I think they would have improved more had it not been for their injuries."

# TENNIS HAS FRUSRATING

Standing: Coach Pippy Booth, Cathy Rokita, Margaret Matthews, Rena O'Brien.  
Front: Lisa Saro, Phil Cosens and Jill Templin.

The Womens tennis team, in only its third year of existence at Delta, had a very dismal season. However, some accomplishments were made.

For the first time in the three year history of the team, a tennis set was won by someone in a Pioneer uniform. Margaret Matthews and Rena O'Brien teamed up to defeat a doubles team from Jackson Community College.

Also, it looks as if Delta has

found the coach that may help things turn around for the Pioneers. Pippy Booth, a native Australian, is very experienced as a tennis player and has taught the game for several years.

What did Booth think of her tennis team this year? "I couldn't have wished for a better group of girls. They have worked hard and have improved tremendously.

# SEASON

# SOCCER STARTS STRONG

---

Front row: Mark Carpenter, John Weadock, Sean McCoy, Amir Shahmirza, Santos Jimenez, Afu Arsalan. Back row: Mike Brown, Steve Miller, Curt Johnston, Bob Krupka, Kurt Sladick, Mike Bontumasi. Eleia Hawa and Coach Crawford Kennedy.

The 1978 season could not have started much better for Crawford "Forddy" Kennedy and the Delta soccer team, with over forty athletes showing up for pre-season tryouts. After final cuts, Kennedy felt he had the cream of the crop. An unusual number of American students tried out for the team, with eight of them making the squad, the most since 1969.

The Pioneers opened the season impressively by recording two shut-outs in the first three games. However, a losing streak followed. The Pioneers did bounce back and prove their ability by defeating Lorrain 10-0. Unfortunately, this did not set the trend for the rest of the season.

The team had its share of individual stand-outs such as John Weadock, Afu Arsalan and Eleia Hawa as the leading scorers. Key defense players were Mike Bontumasi, Kurt Sladick and goalie Bob Krupka.

Kennedy hopes many of the players will return next season to give it another shot.

# VOLLEYBALL : Determined To

This year the Volleyball team was forced to start from scratch, with no returning players from last season. The team started strong, but just before mid-season, while in the toughest part of their schedule, some unfortunate injuries occurred. At one time, three of the nine member squad were sidelined with injuries. The team then had to work to get things back on the track.

According to Coach O'Toole, the biggest plus for the team was the spirit and dedication. Their attitude was excellent and they were willing to work hard, often volunteering time on weekends for extra practice.

A high-point in the season was a trip to Grand Rapids to watch a game between the Japanese and U.S. Womens Olympic Volleyball teams.

O'Toole hopes that many of the team members will return to the squad next season to make the rebuilding year pay off.

# Improve

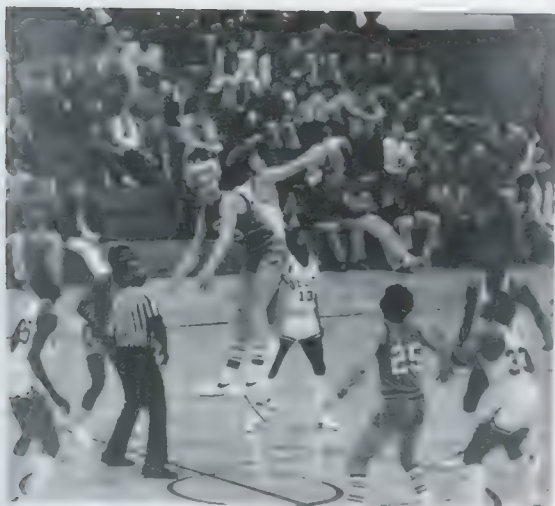

Standing: Coach Pat O'Toole, Nancy Rekucki, Sandy Cilc, Karen Jackson, Gayle Gehringer, Jeanine Morse, Kim Stindt, Mgr. Front: Sandy Shepard, Sue Brinkman, Chisako Ogushi and Gloria Hutfilz.

Team members are (l-r): Assistant Coach Dave Lanner, Robert Team members are (l-r): Assistant Coach Dave Lanner, Kevin Threlhoff, Dennis McDonough, David Wilson, Robert El-Amin, Ron Scott, Ricky Longpre, Lester Lytle, Kevin Quiroz, Billy Ware, Coach Art Galow.

The 78-79 version of the Pioneer basketball team featured many new faces including new head coach Art Gelow. Gelow filled the vacancy left by Jim Still, who took a one year leave of absence.

The team also featured many members who played their high school ball at area schools. Among those players were: Dennis McDonough (St. Stephens), Ron Scott (Carrollton), Kevin Quiroz (Douglas MacArthur) Robert El-Amin and Billy Ware (Saginaw High). Other team members were Rick Longmire, Lester Lytle, Kevin Threlloff and David Wilson.

The youthful Pioneers were often victims of their own inexperience, but at the same time, they played games like old pros. One thing was for sure, they were rarely blown out of a game. Most of their games were either won or lost in the last minute, and the margin of defeat or victory was often four points or less.

Only two of the players were sophomores, so Gelow should have some seasoned players for next year.

## MEN SHOW COMPETITIVE SPIRIT

# WOMEN SUFFER

The Delta College Women's basketball team of 1979 had little experience in the college ranks, and the women suffered through many lopsided losses on their way to gaining that valuable experience.

Head Coach Char Denman, in her 11th as coach of the women, had her hands full in trying to bring the women up to college basketball potential.

"Most of the girls played some sort of athletics in high school, but there is a big difference between the competition they had seen in high school, and the competition seen in college."

The women's only early season victory was a 57-54 win over Alpena. Otherwise, they were victims of their opponents college experience.

Denman is hoping that the women she has on this year's team will return again next season to continue on with what they started this season.

Members of this year's team include: Mary Meatte, Gloria Hutfilz, Gayle Gehringer, Marquietta Davis, Margaret Matthews, Sue James, Karen Jackson, Penny Phelps, Judy Rife, Cindy Woodrow, Ann Wisniewski and Carol Satkowiak.

# AFRO-AMERICAN

The Afro American Club is an organization of black students at Delta that get together and put on certain activities for the enjoyment of the students and to raise funds. The club sponsors Black History Month.

# DISCO

It's not unusual to hear the rhythmic disco beat projecting from the east balcony of the gym, for this is where the Disco Club meets. Once a week club members get together and teach each other the latest dance steps. Activities also include trips to popular area discos.

# D R A M A C L U B

The Drama Club is a group of students that meet every week to ham it up. They also plan many worthwhile activities. Amongst plans this year are Street Theatre-One Act Plays.

# DELTAHS

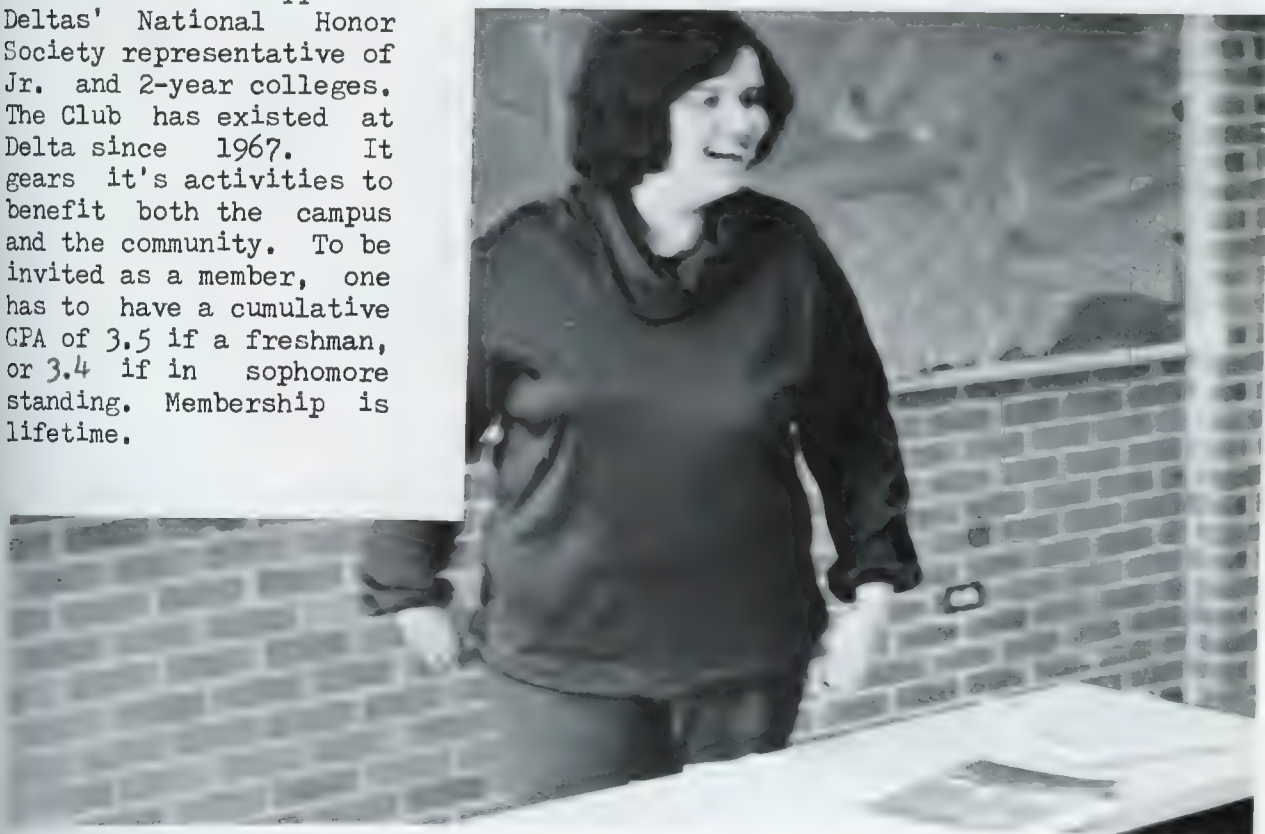

The Deltahs - Delta's Handicapped Students - is a new club at Delta still undergoing organization. The objectives of the club are to make the people of Delta and the surrounding area aware of the needs of the handicapped student and to get things accomplished for their benefit. Another goal is to create more activities, such as basketball games, for the handicapped student.

# PHI THETA KAPPA

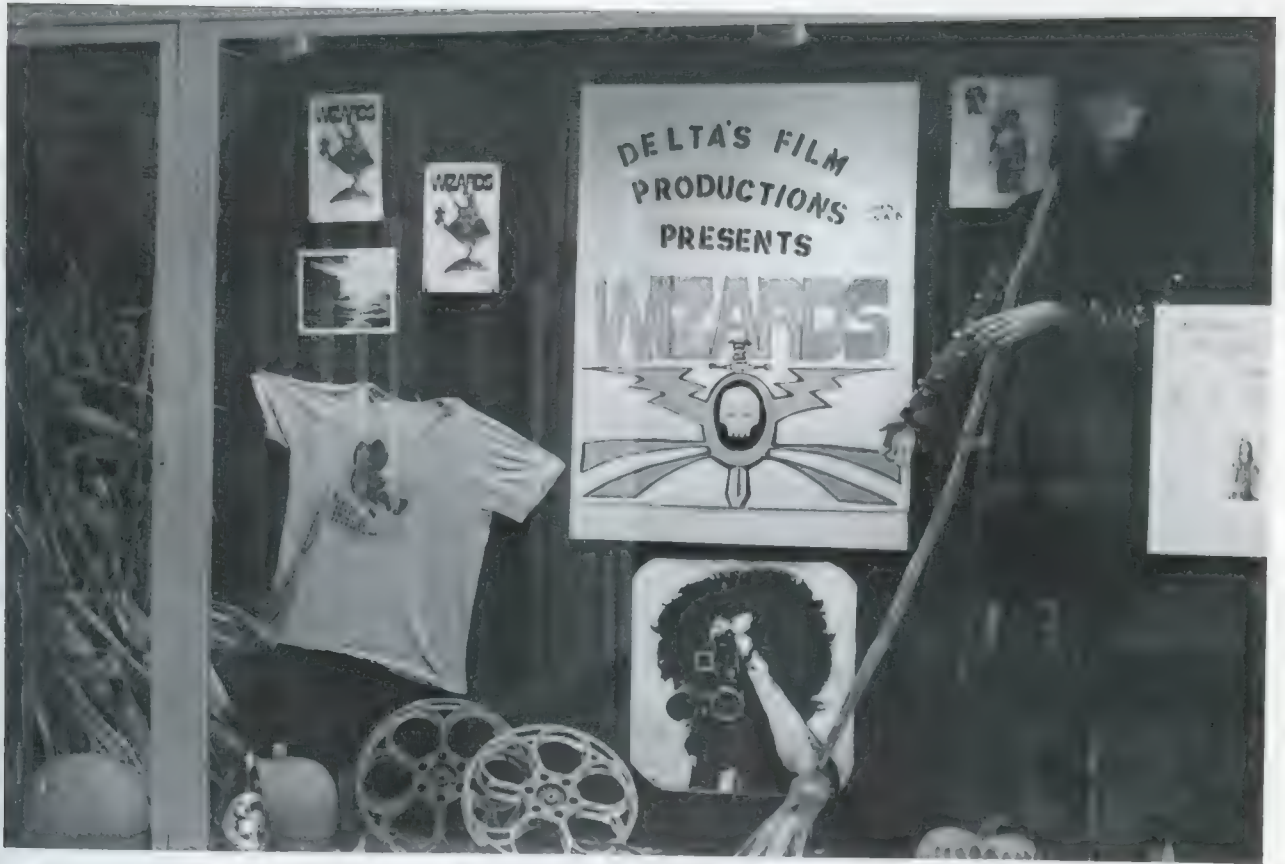

Phi Theta Kappa is Deltas' National Honor Society representative of Jr. and 2-year colleges. The Club has existed at Delta since 1967. It gears its activities to benefit both the campus and the community. To be invited as a member, one has to have a cumulative GPA of 3.5 if a freshman, or 3.4 if in sophomore standing. Membership is lifetime.

# IN THE WINTERTIME

The snow blankets everything in sight.  
Those who live here  
are surrounded with white.  
The beauty is created by a swirl of air.  
It is native to Delta,  
winter's felt everywhere.

# H. P. E. R.

A highlight at Delta this year was the opening of the new HPER (Health, Physical Education and Recreation Facility) building.

The \$4.5 million complex was made possible by a \$3.5 million gift from the Herbert and Grace A. Dow Foundation of Midland.

The building opened the first week of classes in the Winter '79 semester.

The facility includes a regulation basketball court with two additional side courts, six badminton courts, two volleyball courts and eight other courts available for raquetball, paddleball or handball.

The bi-level building also houses an Olympic-size pool. The pool has a separate diving area with two one-meter boards and one three-meter diving board, along with many other special features.

Also in the complex is a weight-lifting and conditional room, an equipment checkout room, and faculty offices.

The building is open 73 hrs./week for use by classes and by the students and community residents at specified times.
